Hi Natalie,

I also had a fun time riding with you last Saturday and it would be great to do some training together. I am busy this weekend and the USA Pro Cycling Challenge rides through Golden on the 23rd. I might be supporting the Gold King Mine response, so I will have to play it by ear for now, but will be back in touch, once I get more clarity with my calendar.

Thanks so much for reaching out to me ☺

Patti

Hi Patti,

Had so much fun with you on Saturday!!! ☺

Our next training is Sunday in Colorado Springs at the Incline at 8 am if you want to join us.
Can hop in with me.

On Sunday Aug 23 we have a lookout ride scheduled but that may change.

On Sunday Aug 30th at 8:30 am red rocks, September 6th is boxing in Denver (\$5 – cheap) at 11:30 am at “Touch em up boxing”. This one sounds like it is going to be so much fun.

Let me know if you want to hook up for any of these. Also, I am trying to walk/run Matthew Winters trail head during my telework days if you want to join me during lunch.

My pleasure, it was so great to see and spend time with her ☺ I spent \$40.00 on that lovely bouquet.
